CASE NO. 6:12-CR-0068-RC

**ORDER ADOPTING THE MAGISTRATE JUDGE'S
REPORT AND RECOMMENDATION**

The Court referred a petition alleging violations of supervised release conditions to the Honorable K. Nicole Mitchell, United States Magistrate Judge, at Tyler, Texas, for consideration pursuant to applicable laws and orders of this court. The Court has received and considered the Report of the United States Magistrate Judge filed pursuant to such order, along with the record, pleadings and all available evidence.

At the close of the revocation hearing, U.S. Magistrate Judge K. Nicole Mitchell recommended:

1. that the Court find that the Defendant violated Allegation 1 in the petition alleging that he violated a standard condition of release by using amphetamine and methamphetamine;
2. that the Defendant's supervised release should be revoked pursuant to 18 U.S.C. § 3583; and
3. the Defendant should be sentenced to a term of 14 months of imprisonment with no supervised release to follow.

At the revocation hearing on April 3, 2018, Defendant and the Government waived their right to object to the Report and Recommendation. Accordingly, the findings of fact and conclusions of law of the magistrate judge are correct and the report of the magistrate judge is **ADOPTED**. It is therefore

ORDERED and **ADJUDGED** that the petition is **GRANTED** and Larry Nick's supervised release is **REVOKED**.

Judgment and commitment will be entered separately, in accordance with the magistrate judge's recommendations.

So **ORDERED** and **SIGNED** this **19** day of **April, 2018**.
